The attorneys, their investigators and their staff are under specific orders to maintain the confidentiality of any information they learn in the course of reviewing this questionnaire.

Please answer each question as completely and accurately as you can. Your complete written answers will save a great deal of time for the Court, the parties and you. There are no right or wrong answers to the questions. In order to ensure that your answers are not influenced by the opinions of others, you should fill out the questionnaire by yourself without consulting or talking with any other person.

You are expected to sign your questionnaire, and your answers will have the effect of a statement given under oath to the court. What is needed is your very best, honest effort to answer the questions.

If you cannot answer a question because you do not understand it, write "Do not understand" in the space after the question. If you cannot answer a question because you do not know the answer, write "Do not know" in the space after the question. If you need extra space to answer any question, please use the extra blank sheets of paper included at the end of the questionnaire. Be sure to indicate on the blank page the number of the question you are answering.

If there is information that is so personal and private that you want to discuss with the judge and the attorneys in the judge's office, please write "I need to speak in private" and give a brief description of the information. Please keep in mind that all individual conferences are time consuming. However, if you believe such a private conference is necessary, please indicate as set forth above.

---

Please write or print legibly. If your answers are illegible, you may be required to re-copy your answers.

**After you leave today, you must not discuss any of the questions, your answers or any other aspect of this case with anyone else, including members of your immediate family.** If anyone approaches you and attempts to learn about any aspect of the questionnaire, you may not answer their inquiries. If they persist, you should report this to the Court immediately.

The purpose of this questionnaire is to encourage your full expression and honesty, so that all parties will have a meaningful opportunity to select a fair and impartial jury to try the issues in this case. Thank you for your full cooperation. It is of vital importance to the Court.
